

FINANCIAL POLICY

The doctors of Phoenix Oral and Facial Surgery are not participating providers with any medical insurance companies. As a courtesy, we will gladly help you submit your claim to your medical insurance carrier. Please keep in mind that the amount you pay for your service may be different from what your insurance company allows for reimbursement.

For your convenience, our office accepts personal checks and major credit cards such as Visa, MasterCard, and American Express. We would also be happy to discuss additional financing options available for those interested. Payment is expected at the time that service is rendered or prior to scheduled treatment.

If you find that you are having difficulty with the payment of your account, please contact our office to discuss your options at 602-956-9560. We will do our absolute best to work with you to resolve the matter.

Please remember that you are ultimately responsible for any charges incurred on your behalf, regardless of insurance coverage.
